

KENNEL SPONSORSHIP PROGRAM

If you don't have room in your *home*, but have room in your *heart*...

The Chequamegon Humane Association provides care and adoption opportunities for approximately for almost 1000 animals each year. Your sponsorship will help us care for the homeless animals of the Chequamegon Bay area, and rescue dogs from other overcrowded shelters when we have a vacancy, through our Third Chance for Dogs program. Sponsorship opportunities are available for cat cages and dog kennels, indicated on the sponsorship form. You can sponsor as an individual, family or business. Sponsorships can be given as a gift, in honor of or as a memorial. Your sponsorship is tax-deductible. If you are interested in sponsoring, visit us at 923 Rail Drive Ashland, WI to submit your sponsorship form or we can email it to you. For questions, please call 715-682-9744 or email cheqhumane@yahoo.com.

KENNEL SPONSORSHIP By sponsoring a dog or cat area, you will be helping with the care for EVERY animal in your sponsored space. If you can't take one home yourself, this is a great way to virtually adopt. Your sponsorship will help us provide them with a comfy bed, plenty of toys and special medical treatment for those that come in sick or injured. Your generous contribution will enable us to keep our promise to provide all animals at our shelter with the best care possible. Your contributions will be recognized with a sign on the space you are sponsoring. Your sign can include a name, pet or a business logo even photo of a loved one.
